Old Business

- a) Concert Update- Linda created email [corneliatourism@gmail.com](mailto:corneliatourism@gmail.com) for us to use to prepare for the concerts (vendors, acts, demos, etc.). Linda has vendor forms. Vendors will be \$25 but no power, water, or tables are provided. Food vendors will be different. We will discuss that in more detail at a later date. We decided the show will start at 5 and Aaron will go on at 7:30. The contract is signed. Linda thinks he is going to be easy to work with. He was pretty laid back when she met him a couple of weeks ago. Jessie will send food vendor contacts to Linda. We discussed promoting that we are accepting demos for opening acts. Jessie or Brittain will make a post on social media about that next week. We also need to find a marine who can accept the bicycle that Aaron gives away for Toys for Tots. There was some discussion about opening acts and who we wanted and what we could or could not pay for them. We will talk more about that in the upcoming months.
- b) Website update- Needed Dee for discussion. Linda made the motion that we table this until next month, Jan seconded, all in favor

### I. New Business

a) NEGMTA membership- Linda said she was invited to the NEGMTA meeting last week and attended. She said we need to be members. Jessie said that the City is already a member, but they have good benefits and leads to tourists coming through every quarter. Jessie recommended that the board apply for membership. Michael made the motion to register, Jan seconded, all were in favor. Jessie will fill out and turn in the paperwork today.
