

**City of Cornelia  
RFP Sanitation Services  
Addendum 1**

1. What are the current rates for household "garbage" collection service?

***Garbage \$20.45 per month***

***Extra carts \$15.75 per month***

***Purple bags for excess trash \$1 each***

***Mattresses, couches, box springs, recliners, upholstered furniture \$10 per item***

***Tables, dressers, kitchen chair, shelves \$5 per item***

***Tires \$3 per item***

***Large metal items and household appliances with freon \$15 per item***

***Large metal items and household appliances without freon \$10***

***Small metal items and household appliances \$5 per item***

2. Is this service currently provided by a private company?

***No***

3. How many garbage carts will be needed for residents who do not have one already?

***We estimate currently 60 residents will need carts, which the City will provide.***

4. How will replacement carts be handled as they are required?

***The City will be responsible for replacing and providing carts***

5. Who will own the carts provided at the end of the contract term?

***The City will own the carts***

6. On Section III "Fee Schedule", what is the required frequency of collection for yard trimmings?

***Bi-Weekly***

7. What type of bags are acceptable for yard trimmings as described on the city's sanitation services and rates flyer (online)?

***Lawn clippings should be bagged, we do not specify the type of bag.***

8. Must all yard trimmings be bagged including branches, limbs, etc.? Are there any limits?

***Bags are required for lawn clippings, not branches and limbs. Leaves are also required to be bagged from February through October. Size is limited to 4" in diameter for branches, limbs, etc.***

9. On Section III "Fee Schedule", what is the required frequency of collection for bulk items?

***Weekly- this service is usually just at customer's request.***

10. Although not listed on the fee schedule, the city's sanitation services and rates flyer listed on your website describes a curbside recycled paper service. Please clarify if **any** recycle collection is part of this project.

***There will be no recycle collection.***

11. Item #2 on page 6-7 describes a non-discrimination regulation Section 21.5 of Appendix B. Please provide a copy of the referred to information.

<https://www.ecfr.gov/current/title-49/part-21/appendix-Appendix%20B%20to%20Part%2021>

12. Item #5 on page 7 describes sanctions for non-compliance that typically result from performance issues. This section, however, refers to Non-discrimination. Please clarify.

***The list is not all inclusive, it's just stating that noncompliance may result in sanctions like the ones listed or what the Federal Highway Administration deems appropriate.***

13. What is the projected start date of this project?

***October 1 2022***

14. Will all residents be included in this service? Please clarify if this is not an elective service.

***All residents are required to have sanitation service***

15. How will residents be billed for these services?

***The city will bill for this service***

16. Will CPI and other inflation cost adjustments be allowed?

***The City will allow for an annual increase of 3% for inflation***

17. Do the tonnages listed on page 3 include yard trimmings?

***No***

18. Can you provide tonnage data for Yard trimmings and bulk items?

***Yard Trimmings- 150 tons***

***Leaves- 360 tons***

***Bulk items are included in tonnage on page 3***

19. Are there any city locations to be included in this project?

***No***

20. Will residents still be allowed up to three cans up to (33) gallons or will they be required to use a roll cart?

***All residents must use a roller cart***

21. What days are these services currently provided on?

***Services are provided Monday through Wednesday***

1)How many homes are currently without carts ? Moving forward would it be the haulers responsibility to replace broken carts and provide carts for new homes ? ***We estimate around 60 homes without carts. The City would maintain possession of the carts and have responsibility for providing and replacing carts.***

2)Are there any apartments or narrow streets that couldn't be serviced by a tandem axle truck ? ***Yes, there are some roads that are too narrow and some with no turn around access.***

3)Currently is the city picked up all on the same day or multiple days ? If multiple could you show a map of service days? ***Service days are Monday, Tuesday and Wednesday. See attached map.***

4)With the current state of fuel pricing and the hope that drops back, would you be open to a temporary fuel surcharge based on the lower Atlantic chart ? ***Yes, we would be open to this and willing to consider the proposal on a temporary fuel surcharge.***

5)Would there be an annual CPI adjustment for each renewal ? ***We would allow a 3% increase each year***

6)If other haulers ask questions will you send out or post an addendum with all questions and answers ? ***We allowed questions through June 24<sup>th</sup> and have posted all questions and answers in Addendum 1.***
